

VOLUNTEER OPPORTUNITY SIGN UP SHEET

Parent Volunteers

Classical Cottage School parents are required to volunteer at least once during the year in addition to helping at our school sponsored Certamen on November 5. We will do our best to accommodate your preferences. Should we not have that information by August 31st, you will be automatically placed on the "wherever needed" committee. With all of us contributing, the load will be much lighter; certainly, we cannot make the school run safely and smoothly without everyone's help.
