

Latin Book Order Form 2020-21

Please indicate the number of books you would like to order in the blank provided. Each student needs their own workbook. Parents only are allowed to have an answer key so you only need one. The answer key is exactly like the workbook except with answers, so a parent does not need a workbook unless they would want to work along with the student or save it for future use. **Be sure you know the level of Latin your child will be going into. If in doubt ask someone before registration.** Once the order goes to the printer there can be no changes or refunds. **Payment is made at time of registration.**

*The Latin III books are undergoing a substantial overhaul and will be printed in color. The final cost will not be known until just before printing. Your payment of \$20 is considered a down payment on the final cost. You will be contacted before printing as to the additional amount needed to complete your order. We expect it will not be much more and will attempt to keep the cost as low as possible.
