

Dear Registrant:

Below you will find all of the information that you need to register for the Classical Cottage School 2019-2020 school year. Please read it carefully as it contains important information regarding age guidelines, registration, and payments. All registration materials can be found on our website www.classicalcottageschool.org. Registration documentation is broken into four categories: Upper School, Grammar School, CCS Philosophy and the Registration Forms. The Upper School documents contain An Overview of Upper School Core Strands, our Projected 4 Year Sequence of Upper School Courses, Explanation of Progymnasmata, Upper School Courses by Subject Area, the Upper School Course Schedules, Course Descriptions, Course Tuition and Course Booklist. The Grammar School documents contain the Grammar School Courses by Subject Area, Grammar School Course Schedule, Course Descriptions and Course Tuition List. The CCS Philosophy section includes our Mission & Philosophy, Participation Contract the CCS Approach and the registration forms.

It is not necessary to print this entire packet. Please print, fill-out and bring pages 6-12 to registration. Be prepared to hand pages 11-12 to the registrar.

RETURNING FAMILIES

PRE-REGISTRATION FOR TEACHERS

Teacher registration for the hour(s) that you teach is done through email and based on tenure. This registration takes place between March 30 - 31st. Instructions will be sent to all teachers via email by March 29th.

REGISTRATION DAY

The time of your registration is based on your tenure at CCS. We will randomly (by computer randomizer) assign you a lottery number ahead of time, which will then determine your time-slot. This will still be done within your tenure year. You will receive a specific time-slot via email. You must be on time in order to avoid forfeiting your appointed time. Therefore, we recommend that you show up several minutes early. If you do miss your appointment, you will have to wait until we have an open appointment.

Registration for returning families only will take place on Monday, April 1st at Bethel Lutheran Church. An email will be sent to all returning families by March 29th with your registration time slot. If you miss your registration time-slot, you forfeit your registration status and will have to wait until we have an open appointment. If you do not come to returning family registration, you may attend new family registration on Friday, April 8th. Please note, however, that by NOT registering on April 1st (including registration payment) you will lose priority status of a returning family.

REGISTRATION DAY FEES AND PAYMENTS

Administrative fees and registration fees are \$205.00 per family and \$55.00 per student respectively to meet our 2019-2020 budget. Families registering more than four students will only be required to pay the registration fee for those first four students. **N.B. - All registration fees and administrative fees are non-refundable.**

Only registration, administrative, insurance and holding fees are due at the time of your registration. **Please remember to bring all of your completed forms with you as well as your checkbook. Your class preferences must be indicated on the forms provided, before you will be admitted to registration.** 75% of the tuition payments and all of the materials fees are due by Thursday, May 23rd. If payment is not received by then, you will forfeit your enrollment. Additionally, tardy payments may be assessed a \$10.00 per course late fee. Please put your checks in the designated box at CCS or mail all materials fees and tuition payments (postmarked no later than May 23rd to Classical Cottage School, % Tuition Payment, P.O. Box 1204, Berryville, VA 22611).

If you do not attend registration, registrations will ONLY be accepted by mail AFTER April 8th. Send ONLY your forms and registration payments to Deanna Solomon, P.O. Box 1204, Berryville, VA 22611. Class confirmation will be emailed to you as soon as possible. Your materials fees and tuition payment due dates will be sent with your confirmation. Information about where to send your materials fees and tuition payments will also be sent with your confirmation. If payment is not received by the date given you will forfeit your enrollment in that class. A processing fee of \$25.00 per student applies if mailing in your registration.

We highly recommend that prior to registering you visit our website for the latest list of closed classes.

FINANCIAL AID INFORMATION

We realize that the tuition may put a financial strain on some families. The financial aid application is included in this packet and is also available on the website. Completed applications must be submitted to the bookkeeper by April 1, 2019. Notification of approved aid will be emailed to you by April 10, 2019. If you have any questions, please contact the bookkeeper at cottageschoolbookkeeper@gmail.com. To those who would like to share their blessings, we encourage you to donate to the CARE fund to help provide financial aid for students in need.

REGISTRATION POLICIES

AGE GUIDELINES & PREREQUISITES

Age guidelines are set based on your child's age on October 15, 2019. It is your ultimate responsibility to assure that your child's registration is correct. Should your child have to be withdrawn from class due to not meeting the age guidelines or the stated prerequisites, the teacher may request that your child be withdrawn from the class. No refunds of tuition or fees paid will be given.

EXCEPTIONS

For all Grammar School classes, the age guidelines will be adhered to as written. Exceptions will NOT be granted for any Grammar School classes. For all Upper School classes, there will be no exceptions given by the teacher, the Grammar or Upper School Coordinator, or Registrar. If you feel that this will impair your child's education, you may appeal to the Board of Directors. All appeals must be received no later than March 24th via email at this address: cottageschoolregistrar@gmail.com. Do not email any Board Member for exceptions.

This process must be used for ALL exception requests. Without prior approval, you will not be able to register your child in that class. **No exceptions will be considered unless you follow this protocol.** A decision will be emailed to you prior to registration.

PRIORITY STATUS FOR CORE CLASSES

Priority will be given to older students registering for core classes in order to facilitate timely completion of the core program.

WITHDRAWALS AND REFUNDS

We consider a family's registration request to be a well-intentioned commitment to take that class and pay all fees associated with it, and we assume that families do not request a class they believe they are likely to drop later. Holding a seat in a class prevents other interested families from taking that seat and commits income to the teacher. Therefore we do not refund any fees already paid unless we cannot offer the class. **Additionally, registration for a class assumes the full year tuition responsibility.** Withdrawal from a class does not exempt you from this obligation. You will still be required to pay the full year's tuition. Failure to fulfill this obligation will result in the immediate removal of your family from all CCS classes, the loss of all fees collected at registration and the inability to register with CCS in the future.

Grace period for dropping/adding classes: We understand that circumstances change and other opportunities arise, and we want to reasonably accommodate those changes. We provide a grace period during which a family may drop or add a course for a **small charge of \$5 per change** by notifying our registrar at cottageschoolregistrar@gmail.com. This grace period extends from April 1, 2019 to April 12, 2019.

Dropping a class after the grace period: After April 12, 2019, if you drop a class for which there is no waitlist, you are obligated to pay the full year tuition. If a waitlist exists **and** if we are able to fill your child's spot, you will be assessed a \$25.00 service charge, but will not be responsible for tuition. If we are unable to fill your child's spot, you are obligated to pay the full year tuition.

Adding a class after the grace period: This will be considered a late registration and you will be assessed a \$25.00 late registration fee per child.

Fees are not assessed for wait-listed seats held and dropped, or for wait-listed seats offered and refused. Materials fees and all registration fees are nonrefundable.

MATERIALS FEES AND TUITION PAYMENTS

All materials fees and tuition payments are to be made payable to the individual teachers. Payments to one teacher for multiple children can be combined. The first tuition payment and materials fees can be made in ONE check.

Materials fees and 75% of your tuition are due on Thursday, May 23rd. A new file box with 2019-2020 teachers' folders will be provided for this purpose. **DO NOT PUT CHECKS INTO TEACHERS FILES IN THE REGULAR BOX USED FOR CCS BUSINESS.** Unless a family has made prior arrangements with the bookkeeper, you may lose your place in the class or you may be assessed a fee of \$10 per course for failure to pay by this date especially if it becomes necessary for the bookkeeper to contact you for your payment.

Returning families should put their checks into the correct teachers' folders in the designated box at CCS on May 23rd. **For those registering by mail, please wait until you receive confirmation and directions before mailing your tuition and materials fee checks.**

Except in special circumstances when a family makes prior arrangements with us, we will not commit to holding seats past May 23rd without full payment of the materials fee and first semester tuition balance.

The remaining 25% of tuition is due in full by Thursday, September 26, 2019. Unless a family has made prior arrangements with the bookkeeper, we may assess a fee of \$10 per course for failure to pay by this date. Also, except in special circumstances with a prior arrangement, at the start of the second semester we may immediately remove a student's access to any class for which the second semester balance is not paid in full. In the past, many families have post-dated checks to both CCS and teachers. This creates a burden on the check recipient. The assumption is that if you write a check, you have the funds to cover it. If you do not, we recommend that you request a payment plan or apply for financial aid. **Please do not post-date your checks.** Post-dated checks will be returned to you and late fees will be assessed when appropriate.

Please note: A Tuition Payment Contract allowing returning families to pay in installments may be available. Email our bookkeeper by May 5, 2019, Jen Wright at cottageschoolbookkeeper@gmail.com if you are interested in this option.

NURSERY FEES

Nursery fees are paid on the same schedule as tuition. However, unlike course tuition and materials fees, refunds will be issued if you decide to remove your child from the nursery list before the first day of class. Nursery fees are not eligible for payment plans.

STUDY HALL

Upper School students not enrolled in a class must be in Study Hall or with a parent. Study Hall must be registered for just as any other class. Study Hall fee of \$10.00 per study hall must be paid by cash or check directly to the study hall monitor on the first day of class. After the second day of class if you have not paid, your child will not be admitted to study hall and will have to sit with a parent.

A FINAL NOTE TO ALL

We will make every effort to assure that your registration goes smoothly. However, as we will be working with over 100 families, please remember that it is ultimately your responsibility to register correctly. We will not assume responsibility for any errors you make in the registration process. An advisor will be available at registration to answer any questions, but we strongly encourage you to have your questions addressed before coming to registration. This will help the flow of registration and avoid last minute decisions.

Thank you for your patience and understanding.
Deanna Solomon, Registrar

Latin Book Order Form 2019-20

Please indicate the number of books you would like to order in the blank provided. Total amount due will be determined at registration. Each student needs their own workbook. If in doubt ask someone before registration.** Once the order goes to the printer there can be no changes or refunds. **Payment is made at time of registration.**

NB: Latin Workbooks and Keys will now be 3-hole punched for easy placement in a binder.

Financial Aid Application Form

2019 – 2020 School Year

We are happy to be able to offer assistance to families to enable them to continue to pursue classical education. Although any returning family is welcome to apply for financial aid, preference will be given to families who have demonstrated their commitment to the classical education model as laid out at the CCS website as well as according to need. Be aware that Financial Aid is determined by the number of core classes in which your student(s) is enrolled. For this reason, if you drop core classes after you have been awarded aid, CCS reserves the right to reevaluate and reduce the amount of aid you receive. Applications for full-year assistance should be submitted to the CCS Bookkeeper by April 1, 2019. All financial aid applications will be reviewed and approved or denied by the CCS Board of Directors. Notification of approved aid will be emailed to you on April 10, 2019 giving you the opportunity to review your family's registration during the DROP/ADD grace period which ends April 12, 2019.
